**Ranchi:** Governor Droupadi Murmu on Friday urged students of IIM-Ranchi to use their expertise for the development of tribals and the nation.

Murmu was addressing the premier cradle on its 9th Foundation Day at Ram Dayal Munda Kala Bhavan in Hotwar.

“Don’t measure your success in terms of what you gain professionally. I urge you to use your expertise for the welfare of tribals,” said Murmu.

Established in 2009, the premier B-school is currently operating out of Suchana Bhavan and from a satellite campus on Kanke Road.

“Jharkhand is a mineral-rich state and mining is an important activity, which needs our special attention,” said Praveen Shankar Pandya,
