

## IIM Ranchi celebrates closing ceremony of Women's week

PNS ■ RANCHI

IIM Ranchi celebrated the Closing Ceremony of Women's Week on the occasion of International Women's Day. The Guests of Honour of the event were: Prof Virajanand Varma, Prof Shilpee A Dasgupta, Prof Divya Aggarwal and Prof Vijaya Dixit.

Prof. Shailendra Singh, Director, IIM Ranchi, said, "Women are considered the epitome of power, and we worship the goddess in them. We have tried to recognize female contribution for a long time, and today, in this era, it is being recognised more than ever.

The compulsory seats for women in the institutions, jobs, etc provide a platform to them to make the world hear their voice, and the quality of discussion and contribution also increases with gender diversity. The need for the hour is to

support each other and every gender and provide equal opportunities to everyone.

Gender sensitisation committee briefly described the purview of their work throughout the year, comprising a visit to Rasabeda village whereby an awareness session was organised to make all the women aware of menstrual hygiene and sanitation. An awareness session was taken by Shaili Chopra from SheThePeople.TV in the month of June 2020. Moreover, it is pertinent to highlight that the gender committee is about gender equality. We celebrate every gender.
