

Jharkhand could become edu hub: RS vice-chairman

Ranchi: The deputy chairman of Rajya Sabha, Harivansh Narayan Singh, on Tuesday expressed hope that the establishment of prominent educational institutions like the Indian Institute of Management (IIM), Indian Institute of Technology (IIT) and the All India Institute of Medical Sciences (AIIMS) in Jharkhand would propel the state towards becoming a leading educational hub in the country.

While taking part in IIM-Ranchi's 12th Foundation Day celebrations via online mode, held at its new campus in Heavy Engineering Corporation area, the Rajya Sabha vice-chairman also said that institutions like IIM have a duty to provide necessary skills to the youth of the country so that they could take up new ventures in a wide range of areas rather than limiting themselves to the role of business managers.
