IIM Ranchi Celebrated It's 9th Convocation Ceremony

📅 December 28, 2020 👤 admin 💬 Comment(0)

Ranchi, Jharkhand | December | 28, 2020 :: Indian Institute of Management Ranchi, the ninth member of the prestigious Indian Institutes of Management family, was established on December 15, 2009 under the Societies Registration Act, 1860, under the aegis of the Ministry of Human Resource Development, Government of India with the extensive support of the Government of Jharkhand. The Institute has been accorded the status of 'Institution of National Importance' by the introduction of IIM Act 2017.

The Ninth Convocation ceremony was held virtually at Seminar Hall, at permanent campus of IIM Ranchi on Monday, December 28, 2020.

Shri Rajnath Singh, Hon'ble Defence Minister, Government of India graced the occasion as the Chief Guest.

The event had Chairman, Director, faculty, staff, graduating students and their parents connected virtually.

The convocation ceremony started with the Academic Procession followed by Saraswati Vandana, Lighting of the Lamp and National Song. Prof. Shailendra Singh, Director, IIM Ranchi delivered the Welcome Speech and present a brief report about the institute.

Prof. Singh, extended a warm welcome to the audience and the Chief Guest, Shri Rajnath Singh, Hon'ble Defence Minister, Government of India and Praveen Shankar Pandya, Chairman, Board of Governors, IIM Ranchi. He said, "We Congratulate all the graduating students across four programs. The institute has performed outstanding, based on MHRD MOU's criteria, and the students have brought many laurels to the institute, 60 awards, Tata Motor, Tata Steel, RBI awards, Bombay Stock Exchange, to name a few. We have signed 9 MOU's for the exchange program, including the institutes from Greece, USA, Canada, China, and many more". He also emphasised the achievements of faculty members towards their research and publications. Moreover, students should learn to be thankful, start with thanking your parents and elders who have made numerous sacrifices, and teachers

1. Shift your focus from profitability to sustainability of enterprises where you work.
2. Work for harmonious coexistence of the organisation, society and environment
3. Always imbibe behavior that reflects the core values of IIM Ranchi- humility, honesty and hard work

He mentioned that IIM Ranchi has taken several other initiatives, including undertaking impactful policy research, through the Atal Bihari Vajpayee Centre on Leadership, Policy and Governance (ABVCLPG) and the Birsa Munda Centre for Tribal studies that will focus on skill development amongst tribal communities.

During the 9th convocation, degrees were conferred virtually on 272 students from the graduating students from the various programmes, such as:

PhD: 03 Students

MBA: 182 students

MBA- HRM: 66 students

Post-Graduate Executive Programme in Management (PGEXP): 21 students

The recipients of the awards were:

ICSI Signature Award – Gold Medal was awarded to Jasmeet Singh Bindra for securing highest CGPA in the MBA Programme.

Prof. Ashish Hajela Memorial Award was awarded to Alok Raj for securing highest GPA in the Strategic Management Area in MBA Programme.

This was followed by address by Shri Praveen Shankar Pandya, Chairman, BoG, IIM Ranchi and Shri Rajnath Singh, Hon'ble Defence Minister, Government of India, the Chief Guest

In his address to the gathering, The Chairman, Shri. Praveen Shanker Pandya welcomed Shri. Rajnath Singh, Hon'ble Defence Minister appreciated his approach to problem solving and his rich experience in academia. He said, " Shri. Rajnath Singh is one of the most articulate, bold, and strong leaders. Just the right person for our defence. We are grateful to have

him here. Our government made it possible for the country to control the pandemic. Also, I congratulate all the students graduating from this prestigious institute. IIM Ranchi has grown in a short period. Our goal is to be in the top 5 management institutes in India. A few years ago, we were in the top 30, and now we have reached the 17th position. I want to take it to a single-digit figure and then to the top 5. So, dream big and work hard to achieve it, and nobody can stop you from achieving it". He emphasized that young minds should become entrepreneurs and inspired students to set their goals and work towards them without looking left and right. He concluded by wishing the students all the best.

Shri Rajnath Singh in his address to the gathering congratulated the graduating students. He also congratulated faculty for nourishing these young minds. He said, "Today Covid 19 has confined our physical connection, and technology has helped us stay connected, thanks to innovation. Take inspiration and use your imagination. IIM Ranchi has followed its core values of humility, hard work, and honesty for 11 years now. The students here have been achieving outstanding excellence, which shows the institutional excellence of IIM Ranchi. I wish the heartiest congratulations to all the graduating students. Always remember that no success is final, and no failure is fatal".

He also emphasised that future of any country depends upon the youth. During his speech he gave example of many eminent personalities such as Srinivasa Ramanujan, Nelson Mandela, Steve Jobs, Swami Vivekananda, Baudhāyana, Aryabhata, Varāhamihira, Brahmagupta, Charaka, Sushruta, Nagarjuna, Jai Singh. Youth is the source of Innovation, Invention and Ideas and India being a country with the maximum young population has the potential to become a very powerful country in future. Young talents from IIM Ranchi should help in promoting and strengthening local entrepreneurship with the help of technology so that local becomes global. Overall, apart from education we should also focus on to develop research and problem solving methods. This will be beneficial for students, Institute and Country.

He further added as business leaders, students have the duty to ensure that your companies also provide benefits to the society where they operate. While the Government has tried to promote Corporate Social Responsibility spending by making it mandatory for selected large businesses, the real expectation goes much beyond that. Businesses should contribute voluntarily to the development of the society in whatever way they can do best. The ultimate aim is a better future for the millions of people across the country through better education, nutrition and better healthcare. He encouraged students to work towards ensuring the growth of the nation. Students should work towards ensuring that the benefits of India's growth story reaches villages through the best minds in the country.

He added that IIM Ranchi is a nationally-acclaimed management institute, its primary responsibility is to help organizations, both government and corporate in enhancing their efficiency and effectiveness. Jharkhand state, which is IIM Ranchi's catchment area has immense mineral resources and is base of various large, medium and small enterprises. Many reputed public and private firms, particularly heavy industries are based in the state. He believes IIM Ranchi would be instrumental in helping these organizations in its home state.

He also asked students to maintain a balance between their personal and professional life. In times of confusion they should go through the golden pages of History it has answers to all the questions and it is full of Knowledge.

The ceremony concluded with the National Anthem.
