

# Take inspirations from country's history: Min

**Ranchi:** The Union minister of state for external affairs, Meenakashi Lekhi, on Saturday appealed to the students of Indian Institute of Management (IIM) Ranchi to take inspiration from the country's rich history and build its great future or 'Amrit Kal'. Lekhi was addressing the students during TEDx talk at Prabandhannagar in Ranchi. She said all students should introspect and try to prevail over external adversities.

Former member of the Prime Minister's Council on Climate Change Dr Jyoti K Parekh talked about different sources of green energy and the ways to deploy them during the talk. She said systematic changes are required to introduce renewable energy and replace non-renewable energy. TNN
