

# CIP, IIM-Ranchi ink MoU

An MoU was signed between Central Institute of Psychiatry, Ranchi and Indian Institute of Management Ranchi to promote wellness and to facilitate collaborative research in the area of management and positive mental health. It was signed at Central Institute of Psychiatry, Ranchi by Prof. Basudeb Das, Director Central

Institute of Psychiatry, Ranchi and Prof. Deepak Kumar Srivastava, Indian Institute of Management Ranchi. Dr. Tanusree Dutta, Associate Professor and Nodal officer for Human Connect programme at Indian Institute of Management Ranchi and Dr Nishant Goyal, Professor Central Institute of Psychiatry, Ranchi would coordinate the deliverables of the MoU. The MoU would help to bring new dimensions to management training and mental health research as a unique initiative in the country. This initiative is a part of Human Connect Programme of Indian Institute of Management Ranchi, which was launched on 26th January 2023.
