

# IIM-R students visit Bishunpur

A group of 80 boys and girls from IIM Ranchi reached Bishunpur, the headquarters of Vikas Bharti Bishunpur, for three days from May 2 to May 4, 2023, for an internship program under the 'Social Impact

Internship Project'. This tour will bring a better understanding among the students about the local business, goods as well as the needs of the villagers as well as branding them by studying the local rural business model. This internship program will be of 45 days, which is being done under the joint guidance of National Skill Development Corporation and Vikas Bharti Bishunpur, under which how to connect business knowledge of students with social impact so that local people can increase sustainable income through business. NSDC Internship Program Ganesh, Vikas Bharti's officer, Dr. Sanjay Kumar, Pankaj Kumar Singh, Praveer Patra, among the officers of Vikas Bharti, guided all the students during the entire excursion period by informing them about various projects.
