IIM Ranchi Joins Hands with NGO Pratigya to Inaugurate Second Community Library in Jagannathpur Basti

IIM Ranchi Joins Hands with NGO Pratigya to Inaugurate Second Community Library in Jagannathpur Basti

Ranchi, Jharkhand | July | 20, 2023 :: In a significant effort to cater to the needs of the community residing in Jagannathpur Basti, IIM Ranchi has taken another stride by inaugurating the second "Community Library" in collaboration with the NGO Pratigya. This initiative reflects IIM Ranchi's unwavering commitment to fostering knowledge, education, and community development.

The Community Library, established through the joint efforts of IIM Ranchi and Pratigya, aims to provide a valuable resource centre for the residents of Jagannathpur Basti. By offering access to a diverse collection of books and learning materials, this initiative seeks to empower the community through knowledge and intellectual growth.

IIM Ranchi has consistently demonstrated its dedication to engaging with society and uplifting underprivileged communities. The collaboration with NGO Pratigya further exemplifies their collective efforts in creating a positive impact on the lives of the residents of Jagannathpur Basti. Pratigya is Jharkhand-based social enterprise driving grassroots initiatives and community programme in urban and rural areas of Jharkhand on issues of Education, Child protection and development.

The inauguration of the second Community Library took place today with the presence of Prof. Deepak Kumar Srivastava, Director, Dr. Gaurav Manohar Marathe, Dr. Allen Joshua George, Dr. Jayanta Kumar Tripathy of IIM Ranchi, and Mr. Chandan Singh, Cofounder Director, Ms. Laxmi Kujur, Programme Coordinator of NGO Pratigya. Their collective presence underscored the shared vision of enriching lives through education and reading. Through this noble endeavour, IIM Ranchi and Pratigya aim to foster a culture of learning and knowledge-sharing, empowering the community to seize new opportunities and embrace a brighter future.
