

IIM-R holds annual HR Conclave 2019

PNS ■ RANCHI

Indian Institute of Management (IIM), Ranchi organized its annual HR Conclave 2019, the flagship event of HiRe, the Human Resource Club of IIM Ranchi, on Sunday at Aryabhata Auditorium, Ranchi University. The theme for this year's conclave was 'Future of work, workforce & workplace' – taking inspiration from the proliferation of changes in the Indian employment sector.

IIM Ranchi hosted an elite panel of industry experts and HR Heads of several reputed organizations who threw light on the scenario of employment in India's context. Rashmi Mansharamani, CHRO, The Wave Group said, "Challenging the status quo is

Dignitaries during annual 'HR Conclave 2019' at flagship event of the HR Club of IIM Ranchi, at Aryabhata Auditorium in Ranchi on Sunday

Mansharamani, Satyajit Mohanty, CHRO, Crompton Greaves, Sujitesh Das, Senior VP-HR, Microland, Deepayan Sensharma, Director HR, Marsh & McLennan, Chandrashekhar Deshmukh, CHRO, Kokuyo Camlin and Ramesh Kumar, Head HR, Wells Fargo were among the speakers at the conclave.

Dr Debi Saini, Professor Emeritus, IIM Ranchi, was the keynote speaker for the event.

The conclave witnessed the interaction of these dynamic HR leaders across top industries who shared their insights on invaluable industry experience with the aspiring managers of IIM Ranchi.

HR Conclave 2019 had an encapsulating question and answers session about the future work systems and pre-

sented an opportunity to discuss and absorb the business acumen of the corporate intelligentsia. Panel discussions and interactive sessions had all the great minds brainstorming over various trending topics.

"Digital disruption as an opportunity and not a threat is how an professional needs to look at it.

Innovation and Digital disruption are the weapons in our arsenal that will help us shape the future. The conclave was insightful and I got to learn a lot" said Saumya Sachdeva, a first year student of IIM Ranchi

This year's HR Conclave saw participation of over 200 students, 7 corporate leaders and at least ten corporate professionals. The event also went live on social media.

what leads to the disruption in business and eventually transformation." Besides
